## Step 1 — Lenovo Ideatab A1000 Wipe Data / Factory Reset (Hard Reset)

- First of all you can try soft reset from the reset switch. This method does not delete the data from the tablet.

Step 2

- **Now - hardware reset:**

- Switch off the tablet.

- Press and hold at the same time Volume UP and Power keys.

- When the System Recovery screen appears use the Volume Up/Down keys for navigation and the Power On key for OK.

- Choose "wipe data / factory reset", "Yes -- delete all user data", "reboot system now".
