INTRODUCTION

If you have a problem with starting-up the OS, or if you want to erase all data, or you forgot your password, PIN, pattern code you can do a Factory reset.

Attention!!! This will erase all your data!!! It's good to do **BACKUP** first.

Step 1 — Sony Tablet S Factory / Hard reset

- **Metod 1:**

- - Settings

- - Backup & reset

- - Factory data reset

- The tablet will restart automatically.

- **!!! From the "Backup & reset" menu you can do Back up my data !!!**

Step 2

- **Metod 2:**

- Power of the tablet. Pres and hold the Power On key and the Volume Up key at the same time.

- When you see the Sony logo release the Power On button but continue to press the Volume Up button.

- Now you are in the **Android recovery menu**. Use Volume keys to scroll and the Power On key to select. From the options select:

- - Reset to Factory Settings

- - Yes - erase all user data

- - The tablet will restart alone
