

Disassembling Motorola i850 Back Cover

Written By: Alex Jones

INTRODUCTION

Removing the back cover gives you access to the battery, SIM card, and many of the internals of the phone.

Step 1 — Disassembling Motorola i850 Back Cover

- Use your thumb to slide the back cover locker away from the antenna.

Step 2

- Slide the back cover towards the antenna while lifting the cover away from the phone.

To reassemble your device, follow these instructions in reverse order.
