This guide will show you how install and replace a laptop battery for a Sony Vaio PCG-981L.

Written By: Gabriel Camorlinga

INTRODUCTION

With this step by step guide you will learn how to replace a laptop battery for the Sony Vaio PCG-981L.

Step 1 — Battery

⚠ Before starting, be sure the device is turned off and disconnected from any power cords.

- Place the device on a flat surface.

Step 2

- Rotate the device 90° counterclockwise until the battery cover is in front of you.

- The battery cover is located in the lower right side of the device in this new orientation.

Step 3

- Flip the laptop over so that the bottom is facing up but the battery cover is still facing you.

- In this new orientation, the battery cover is located on the left side.

Step 4

- To remove the battery cover, use your hands to slide it upwards.

Step 5

ⓘ Once lifted, the battery cover should flip open.

● Now, carefully remove the battery from the device.

Step 6

● Now, the battery should be completely removed from the device.

⚠ Be sure to dispose of the old battery properly and then you are finished.

Enjoy your new battery.
