

Motorola V188 Battery Replacement

This guide will demonstrate how to replace the battery in a Motorola V188

Written By: rab777hp

INTRODUCTION

This guide goes through the steps of accessing and removing the battery for a Motorola V188

PARTS:

- [Motorola OEM AANN4285B Lithium Ion Cellular Phone Battery](#) (1)

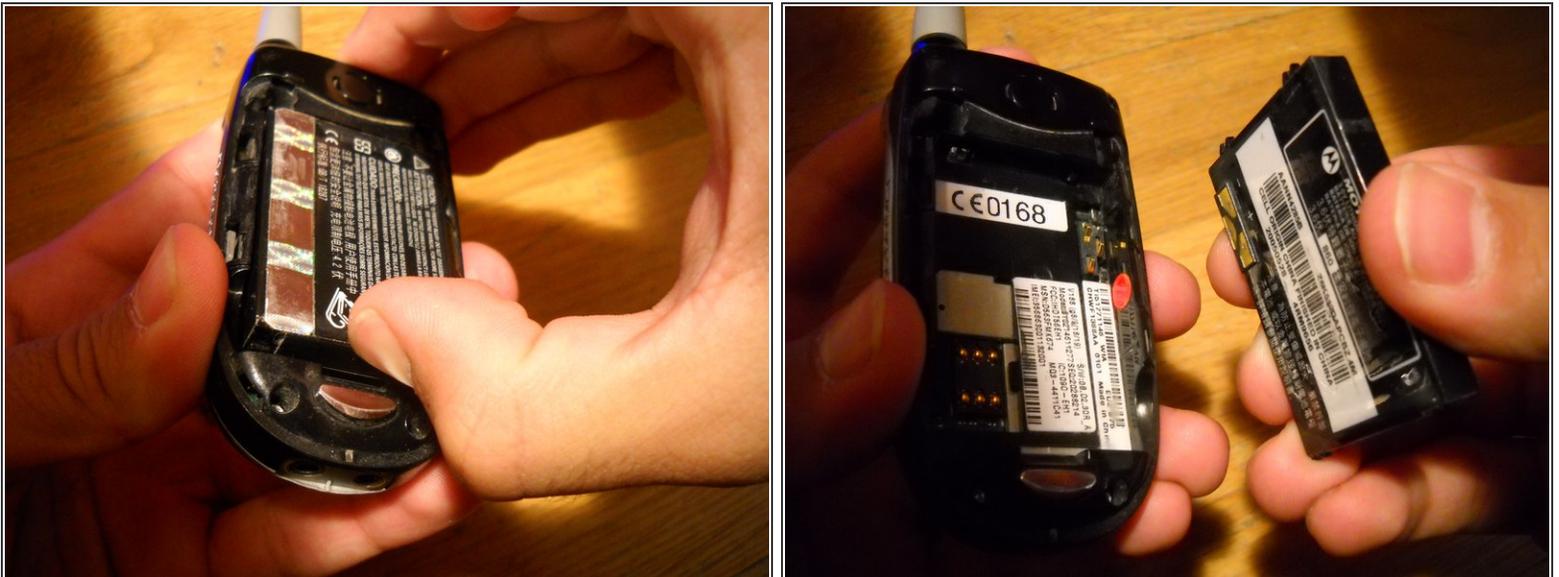

or compatible replacement

Step 1 — Battery

- Depress the button at the bottom of the rear panel and slide the panel down to remove
- Remove the rear panel

Step 2

- Insert your thumb in the gap between the button and battery and push upwards
- Then pull upwards to pull the battery out of the phone

To reassemble your device, follow these instructions in reverse order.
