INTRODUCTION

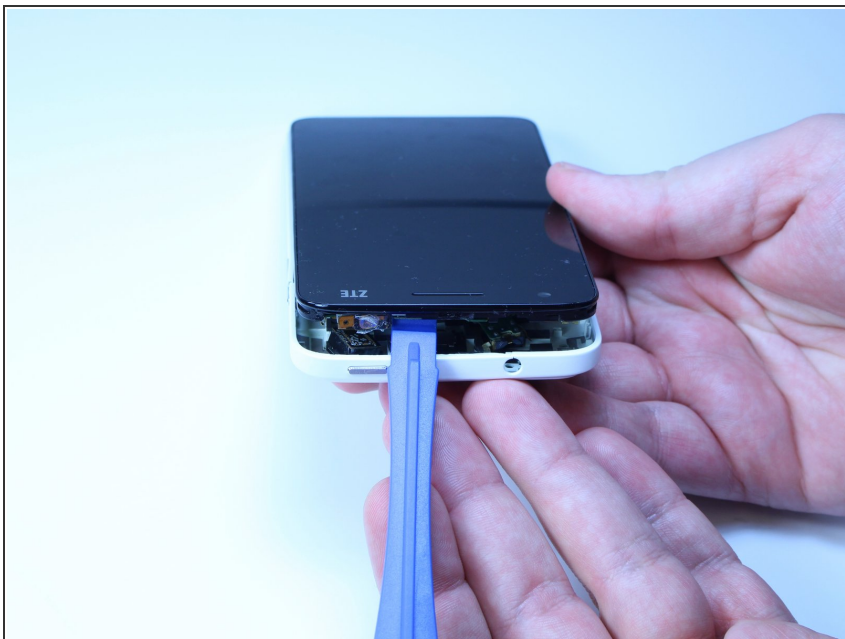

Use this guide to remove the camera from your ZTE Grand S.

TOOLS:

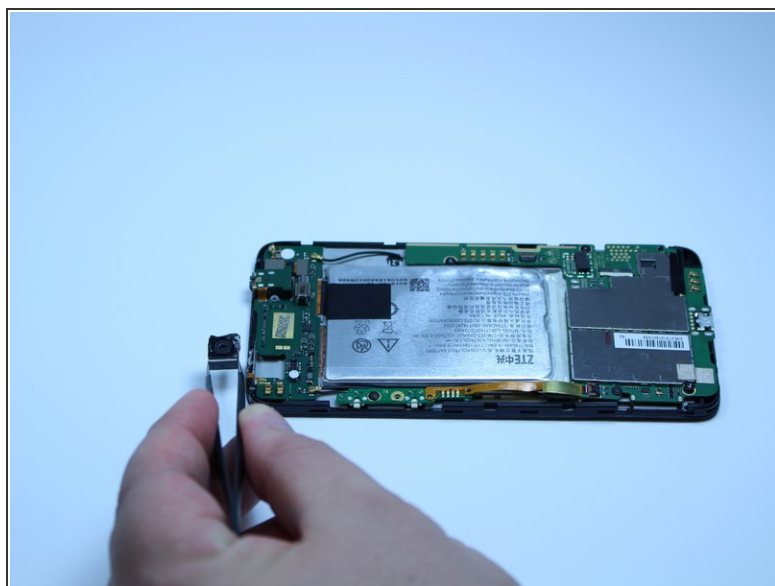

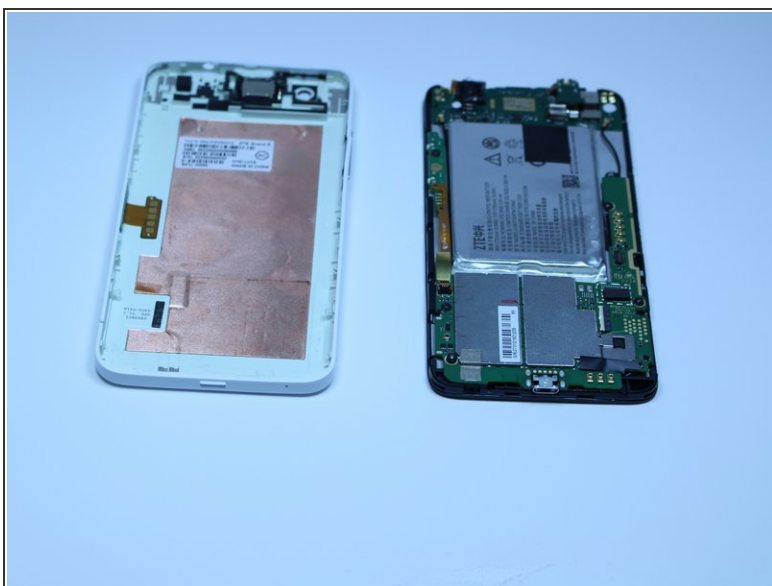

- [iFixit Opening Tools](#) (1)
 - [Tweezers](#) (1)
 - [Essential Electronics Toolkit](#) (1)
-

Step 1 — Opening The Case

- Using a plastic opening tool, work your way around the phone until the case is separated from the phone itself.
- Be sure to be delicate while doing this; DO NOT force anything

Step 2 — Remove the camera

- Separate the case from the phone as displayed
- With a pair of tweezers, gently remove the camera from its slot

To reassemble your device, follow these instructions in reverse order.
