## Step 1 — Left Side Cover

- Pull on the two tabs on the back of the printer to release the left side cover.

- Remove the cover by rotating it towards the front of the printer.
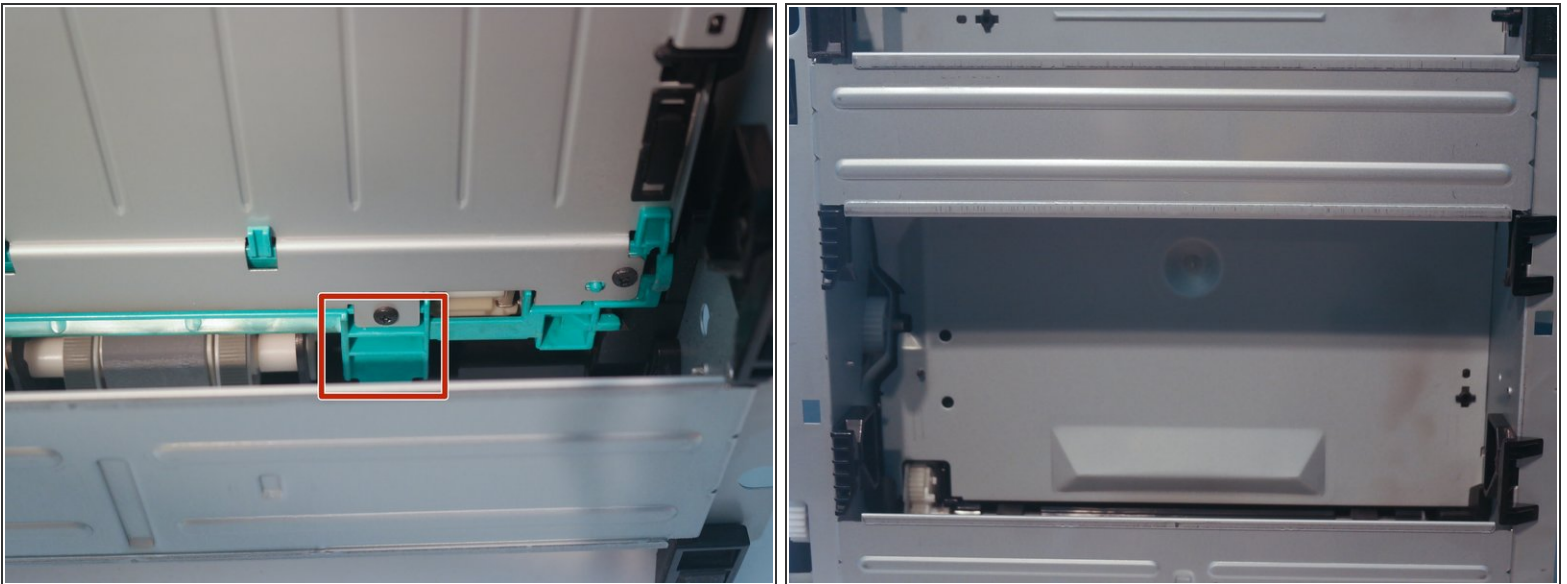

## Step 2 — Right Side Cover

- With the printer turned so that the right side is facing upwards, use a metal spudger to disengage 3 tabs holding the right side cover in place.

- Lift the cover off of the printer.

## Step 3 — Back Cover

- Remove 4 screws on the back of the printer.

- Remove the back cover.

## Step 4 — Duplexer Tray

- Pull on the blue-green tab to release the duplexer tray.

To reassemble your device, follow these instructions in reverse order.
